

Fall State Testing Update High School Testing Dates

Below are the updated details for the fall 2020 PSAT testing schedule. PSAT testing is recommended but not required for all RCS students. Testing is scheduled to be held at Rochester, Stoney Creek, and Adams high schools. As mandated by the state, current testing cannot be done at home. District COVID protocols will be followed during examination.

The health and safety of students and staff remains our top priority. As COVID is a fluid situation, both at the local, state, and national level, there is a possibility of changes in testing.

Updated Plan:

On October 29th, 9th, 10th & 11th grades will be PSAT testing from 7:30am - 11:30am.

- Transportation will be provided to students who require busing via assigned district bus routes.
- Students will be required to bring their own #2 pencil and calculator.
- Students are encouraged to bring snacks and water to be consumed at designated times.
- Students will be required to wear face coverings and socially distance while in the building.

9th & 10th grade students will be able to take the PSAT and the 11th grade students will be taking the SAT in Spring of 2021. If plans are altered again, we will communicate as soon as we can.

Safety Procedures:

- Prior to arrival, all students are required to fill out the daily health screener in Synergy.
- All students will be required to wear a mask or face covering in the building.
- Upon arrival, students should report directly to their testing room.
- Students will be social distanced in all testing locations.
- Students must practice social distancing at all times.
- Upon dismissal, students must exit the building immediately.
