

CLEARY UNIVERSITY

The future of higher education is HERE

More than 200 students live in residence halls on a rolling, 50-acre campus. Cleary offers online and in-person options as well as a rich campus life, 19 Division II athletic teams, and a family feeling where everyone knows you.

You'll make friends for life here, and work with professors and administrators who are available to you at any time. At Cleary, you're never a number - you are a known and crucial part of our campus community!

The unique Business Arts curriculum, which instills the **8 Attributes of The Cleary Mind™**, creates graduates who are hard-working, think on their feet, and prepared for the workforce. Cleary graduates land jobs in their fields faster, and have higher earnings, than peers from comparable universities.

MAIN CAMPUS // 3750 CLEARY DRIVE, HOWELL, MI 48843
